Need an Appointment?

Kelly Clinic uses the San Antonio Consult and Appointment Management Office (CAMO) to make medical appointments

Hours of Operation

Monday-Friday 0630-1630

916-9900

Nurses Line

Please call the Nurses Line for the following :

- 1) If you need to request a medication refill
 - 2) Have any questions regarding patient care
- You will be contacted within 3 business days/duty days.

Commercial: 292-7177 or DSN: 554-7177

Medication Refills

Medication refills may take up to 3 business days to process. If you have existing prescriptions and you have been seen within the past 12 months for the medication you may call your team nurse or walk in with the prescription bottle and refill paperwork.

Narcotic prescriptions require an appointment with your PCM. If it has been more than 12 months since you have seen the PCM you will need total the appointment line.

Medical Release of Information

Need a record copied?

Please fill out a request form located on the wall across from the Pharmacy main window. When you complete the form please drop it in the corresponding box by the forms.

Sick Call (Active Duty Only)

Sign in times are strictly from 0715-0745.
Monday-Friday excluding holidays

Active duty must be in uniform whether you are on or off duty.

Sick Call is only for acute symptoms such as a cough, cold, vomiting, diarrhea, etc.

If you have issues that have been occurring for several days or months you will be accessed by the nurse who will determine the treatment route.

When checking in for Sick Call take a number and a form and have a seat in the waiting room.

You will be called by your number.

Please have your form filled out prior to going up to the front desk.

Late Policy

If you arrive up to 15 minutes late for your appointment you will be seen in the remaining appointment time.

If you are more than 15 minutes late for your appointment you will be asked to reschedule or given the opportunity to wait for an opening in the schedule
